1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless -

- (b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.
- 2. Claims 1-33 are rejected under 35 U.S.C. 102(b) as being clearly anticipated by Lundin.

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Wilkinson discloses a combination stationary bicycle and step/stair climber.
